LPR240

The LPR240 will hold up to 242 MTP with 23mm pitch. It is ideal for multiple cassette/sample configurations. The unit sits entirely under the workstation of liquid handler deck. Multiple transferstation can be used to increase production and throughput.

The LPR240 is ideal for protein crystallization work because the carousel can be stationary with the Star concept allowing the periscope the only moving part reducing vibration and movement of the samples. While allowing full remote access on handling, you are able to manually access the cassettes or samples from the front of the unit. For better access to cassettes located in the back of the instrument the carousel maybe positioned automatically or be rotated manually.

The LPR 240 with 242 MTP capacity makes it perfectly suitable for large integrations. Its compact size and its high capacity make it also ideal for mixed plates applications. Our various options make it ideal for many applications. For details please refer to www.liconic.com

	Order Nr.

Capacity

Plate Type	Plate Height	Plate capacity of unit
NTP (Nanotiter Plates)	5 mm	462
	11 mm	308
1536	12 mm	297
MTP (Microtiter Plates)	17 mm	242
	22 mm	187
	23 mm	187
	24 mm	187
	27 mm	165
DWP (Deep Well Plates)	44 mm	110
	53 mm	88
DiTi200	66 mm	77
DiTi1000	104 mm	44

Options

	Order Nr.
Bar Code Reader Option	9118 11 03
Plate Presence Sensor / Optical detection of Plate in Cassette	9121 00 62
Disposal Tips upgrade kit up to 100mm height	9118 12 23
Fast access for time critical applications	9111 10 00
UCI Universal Communications Interface	9118 11 17
Housing	9143 01 36
Linear Shaker, Amplitude 1-100mm, 12-300 rpm	9143 02 01

Accessories

	Order Nr.
Cassettes	
Inverted cassette MTP, 22 levels, pitch 23mm, all stainless steel	9118 01 96
Inverted cassette Deep Well, 10 levels, pitch 50mm, all stainless steel	9118 01 97
Inverted custom size cassette, nn levels, mm pitch (specify plate height), all stainless steel	9118 12 32
Transfer Stations	
Standard transfer station plate with integrated plate detection sensor	9147 00 24
